Evaluation Process

Students are assessed on the basis of academic performance, by way of Internal Assessment and Examination

Attendance Policy

The college adopts a rather hard line regarding attendance requiring a minimum of 75% in theory lectured and 80% in practical classes for the academic year. We believe that there is strong link between attendance and results which enables academic excellence.

Open Day

Once a year after the first term sessional examination the college holds an open day that is mandatory for parents to attend in order to discuss their wards attitude, attendance and academic performance to date; so as to correct any undesirable trends or deviation that may prove unfruitful for them later on.

Counselling

Students are divided into small batches and placed under the care of a faculty member who are their academic counselors. The counselor not only guides the students but also coordinated with parents periodically for the development and growth of their ward.

Training & Placement

The Training & Placement Cell of the College plays an integral role in the recruitment, the Cell is provided with complete infrastructure support, Training programs are organized throughout the year to prepare students to face the recruitment process. Students are also guided in improving skills to meet industry needs.

Training

The cell arranges training for students in industry for 20 weeks at end of the 3rd semester. The students train in all core departments where they learn day to day functioning of a hotel.

Placements

Placements are done through campus interviews and are coordinated by a full time placement manager. Absorption rates of the final year students have always been high emphasizing goodwill we enjoy with the hospitality industry. The college is visited by nearly 20 hotels through the year to recruit students. to achieve this goal the Training & Placement cell works in close coordination with the industry.

Activities

The college organizes programs in personality development, interpersonal and communication skills, career planning and career mapping, group discussions and mock interview.
